Dr. H. Hazlett

VII
VIEW OF HAZFORD PLACE, WITH WINNING GROUP OF 10 HEAD.

Rob't. H. Hazlett Herd

THE ROB'T. H. HAZLETT HERD was founded in 1898 on the blood of Don Carlos, through the get of his two most noted sons, Beau Brummel and Lamplighter. The following four bulls were the foundation herd sires: Printer, Beau Santos, Beau Brummel 10th and Beau Beauty. Following these were Publican, Caldo 2d, Zelpho, Paragon 12th, Beau Baltimore, Publican 4th and Bocaldo 6th. Hazford Place Herefords today are the product of blood concentration. A study of the pedigrees of any of these bulls will clearly show the close relationship of the latter bulls used to the former ones. The bulls in late years that have been responsible for the successful winnings in the show rings have been Hazford Tone and Hazford Rupert 25th and their descendants, namely, Zato Rupert, Hazford Tone 34th, Hazford Tone 74th, Hazford Tone 76th, and Hazford Rupert 81st.

Further emphasis of the concentration of blood in this herd is shown in the Register of Merit ratings. There are four bulls produced at Hazford Place that are listed in the Register of Merit. They are Bocaldo 6th, Hazford Tone, Hazford Rupert 25th and Zato Rupert. These bulls have been great show and breeding bulls. Of the eighty cows on the Register of Merit list twelve of these are Hazford Place products. They are:

Buleen 372147, dam of Bocaldo 6th and Hazford Rupert 3d.

Princess Camillus 343685, dam of Robert Dare, Roland Dare and Lady Ileen 47th.

Beauty 403192, dam of Beauty Bocaldo and Hazford Rupert.

Santoma 415866, dam of Bloss 16th and Lady Ileen 5th.

Lady Belle 526623, dam of Publican 20th, Bocaldo 51st and Baron Dare.

Bonnie's Lassie 595353, dam of Hazford Optimus, Hazford Bocaldo, Lady Ileen 24th.

Rupert Lass 3d 1456760, dam of Hazford Tone 74th.

Aussi Tone 1546199, dam of Aussi Tone 2d and Aussi Tone 3d.

Izatone 1567375, dam of Zato Rupert, grand champion 1933, highest ranking cow in Register of Merit.

Bonnybell 1718044, dam of Hazford Tone 76th and Bonny Tone

Bonita 1757037, dam of Bonita Zato, grand champion female 1936.

Aussi Tone 2d 1855691, dam of Aussi Tone 4th and Zato's Tone.

It is impossible to go into detail and tell the winnings of all these wonderful cattle. Since 1915 the herd was awarded 757 firsts, 418 seconds, 294 thirds, 198 fourths and 208 championships, besides winning the 10-head group four times at the American Royal. These awards were won at the leading livestock shows and expositions. There was one thing Mr. Hazlett always got a big thrill out of doing, that was showing his breeding herd in the pastures. Those who had the pleasure and privilege of seeing them always marveled and praised them very highly. If you have not had the pleasure of seeing this wonderful herd, plan now to do so at sale time.

Mr. Hazlett always said that he alone could not have achieved the distinction of the Premier Hereford Breeder if it had not been for the splendid cooperation of those associated with him. William Condell, the superintendent, was with him for 35 years. John Blenkin has been in charge of the breeding herd for 18 years, and Davie Carter has fitted the show herd the past 11 years.

Cattlemen, purebred and commercial, all have been greatly interested in this great herd of cattle. Interested in the great work of a truly constructive breeder, and all regret that it was not possible for this breeding establishment to continue as one unit. This is not possible. This wonderful array of Hereford cattle will be sold by auction commencing at 10:00 a. m., Tuesday, June 15, 1937, and continue until all are sold.

Plan now to attend this sale and secure for yourself some of these great cattle produced by the Premier Hereford Breeder, Rob't. H. Hazlett.
